the public access and authenticity of the thesis/dissertation/portfolio¹

Student's name: Luhende Daniel Jitungulu

Student's Neptun code: YJG400

Title of thesis: Analysis of mechanized agriculture in Tanzania. A case study of human, animal, and farm machinery power sources in Shinyanga region.

Year of publication: 2025

Name of the consultant's institute: Hungarian University of Agriculture and Life Sciences

Name of consultant's department: Department of Agricultural and Food Machinery

I declare that the final thesis/thesis/dissertation/portfolio² submitted by me is an individual, original work of my own intellectual creation. I have clearly indicated the parts of my thesis or dissertation which I have taken from other authors' work and have included them in the bibliography. Furthermore, I declare that the artificial intelligence tools (e.g. text generation, linguistic correction, translation, data analysis) used during the preparation of the thesis did not substitute my own research and creative work; their use was indicated either in the list of sources or in the methodology section, and I acted in accordance with professional and ethical expectations.

If the above statement is untrue, I understand that I will be disqualified from the final examination by the final examination board and that I will have to take the final examination after writing a new thesis.

I do not allow editing of the submitted thesis, but I allow the viewing and printing, which is a PDF document.

I acknowledge that the use and exploitation of my thesis as an intellectual work is governed by the intellectual property management regulations of the Hungarian University of Agricultural and Life Sciences.

I acknowledge that the electronic version of my thesis will be uploaded to the library repository of the Hungarian University of Agricultural and Life Sciences. I acknowledge that the defended and

- not confidential thesis after the defence
- confidential thesis 5 years after the submission

will be available publicly and can be searched in the repository system of the University.
